P&C Annual General Meeting
WE NEED YOU! Our P&C AGM is this Tuesday, 19 November. The meeting will be held in the Library at 7pm. On the agenda is our school's NAPLAN results, the bottom playground and class structures for 2014. Please come along so you can be well informed about what is happening to our school in 2014.

Maths at home
Kids’ early experiences with measurement are often based on watching their parents. Seeing mum or dad measure and pour ingredients for a recipe or weigh items at the fruit shop will often become part of their play. Maths at home: http://www.schoolatoz.nsw.edu.au/homework-and-study/mathematics/mathematics-tips/helping-your-child-measure-mass-and-volume

Art and Craft Room update
The focus of our Creative Arts program in 2014 is Art. We are currently refurbishing the room with the help of the P&C and the YMCA. We have recently had the ceiling replaced and painted; however, we need assistance in painting the walls. Can you help? We are looking for three or four people who can lend their assistance for a couple of hours to paint the walls. We are hoping to paint on either Thursday or Friday. If you can help, please contact the front office or send us an email.

Student achievement
Gaby J (5W) recently took part in the Medibank Junior Development Series (MJDS) Tennis. Gabby earned a place in the series after the Champion of Champions which was held in Sydney for the State Finals. Twenty four girls from around the state took part. Gabby convincingly won her pool, defeating all 5 opponents. She won her quarter final 6-2 to progress into the semi finals. Gabby won her semi-final in a tie break. Unfortunately due to inclement weather the final, which we supposed to be held on 11 November, had to be abandoned. Definitely a star in the making. Well done Gabby!

Captains visit to Parliament House
Recently our school captains, Wil and Lauren, had the opportunity to visit Parliament House and meet our local member Hon Rob Stokes. Here is their report:

Last Friday, together with all the other captains from Pittwater, we went to the NSW Parliament House. We had morning tea with the Hon Rob Stokes in the Speakers Garden and we were then shown the Lower House, or Legislative Assembly, which is where the Hon Rob Stokes works. In here we were given some facts from Mr Stokes and then presented with certificates and a package about the Legislative Assembly.

Date for your diary
A reminder that the Year 3-6 music concert is in Week 10: Wednesday, 11 December at 7.00pm and Thursday, 12 December at 10am. We hope to see all the Year 3-6 parents there.

Until next time,

Your Principal, Bill Gillespie
THE CANTEEN NEEDS YOUR HELP...

There are still many days on the canteen roster that needs to be filled. We are especially in need of your help for this Friday, 22nd November, Friday, 29th November, Friday, 6th December.

If anyone is able to help, please drop by & see us at the canteen or call us on 9913 2721. WE CANNOT OPERATE WITHOUT THE HELP OF OUR WONDERFUL VOLUNTEERS and we really do appreciate you giving your precious time.

Thank you.

CANTEEN FUN DAY

Our “Canteen Fun Day” is on Tuesday, 26 November. There will be a sausage sizzle, PRE-ORDER ONLY & we will also have treats available at both recess, for COUNTER SERVICE ONLY & lunch either along with your pre-order or counter service. The sausages will be purchased from Devitts Meats & are Gluten Free. The Honey Joys will be made following the “Kelloggs” Recipe. A full list of ingredients is available on request. The Canteen Fun Days help us raise some much needed funds that all goes back to our precious kids. Your support is greatly appreciated. Be sure to get your notes returned by this Friday, November 22, alternatively you can place your order via Munch Monitor from Tuesday afternoon.

DOING MATHS IN YOUR HEAD!

Students are encouraged to use a range of different mental strategies to add and subtract numbers in our mathematics lessons. These are often quite different to the way we were taught to think about numbers at school!

Developing good number sense (an understanding of number relationships and how to use them) assists students to work out and retain number facts more efficiently because it makes sense! It also improves accuracy as students are aware of any discrepancies; they are not just reliant on rote learning or what the calculator (or phone) tells them.

We have attached an information sheet to help you understand some of the early strategies and their associated language. This is not meant as a checklist for home; students are ready for different strategies at different times.

If you would like to download this information sheet, and others like it, go to the School A to Z website:

**This week’s features…**

**Addition (+) and subtraction (−)**

mental strategies (doing maths in your head)

We teach children a range of different ways to add and subtract numbers. We want them to look for patterns and use them as much as they can. We want them to have good **number sense** – an understanding of how and why different ways to add and subtract work well.

The goal is for them to be able to do it in their head in a way that makes sense to them.

**To develop number sense, students learn:**

STEWART HOUSE/BUSHFIRES CHRISTMAS DRIVE

For the last 16 years, Wiseberry Real Estate Mona Vale has been coordinating a Christmas Gift Drive to support the Smith Family. This year however, Stewart House and the Bushfire victims will be the recipients of their annual Christmas appeal.

Many of the schools in the PCS are supporting this event as Stewart House is the Department of Education and Community’s designated charity and is universally supported by DEC schools. In response to the recent devastating bushfires, Wiseberry will also be distributing gifts to the bushfire victims.

From this week Monday, 18th November, 2013 (Week 7) until Thursday, 28th November, 2013 (Week 8) inclusive, students are requested to bring a gift to school to support the Wiseberry’s Stewart House/Bushfire Christmas Appeal. Each gift must be new i.e. unopened and unused, and placed in a gift bag. Please do not wrap the gift in paper as each gift will be individually checked before distribution. Each class will be given a class box for the individual gifts to be stored. The SRC class representatives will coordinate their class’s efforts.

Christmas is a time of joy for some but a time of sadness and loneliness for others. We believe this is a wonderful opportunity to be involved in a collective effort to support those less fortunate in our broader community. Hopefully this gesture will reinforce to our students that Christmas is a time of giving not just receiving!

EHPS CHRISTMAS COLOURS MUFTI DAY

The culmination of the Stewart House/Bushfire Victims Christmas Gift Appeal will be a ‘Christmas Colours Mufti Day’ on the last day of the appeal. On Thursday, 28th November, 2013 (Week 8), the students will be resplendent in colours of red, green, gold and silver and all things ‘Christmassy’!

There will be no gold coin collection as is the usual practice on Mufti Days - the Christmas gift is the donation.

A representative from Wiseberry’s Real Estate will collect the gifts and distribute these on our behalf.

In anticipation of your support,

Ms Vicki Bosler and SRC

MEET OUR STAFF...

Mrs McNab, Teacher
An interview by our school captains Lauren, Ruby and Wil

Wil: Mrs McNab, how long have you been at EHPS?
Mrs McNab: My first class was the current Year 6 in Kindy, so I’ve been here seven years.

Lauren: What do you like best about EHPS?
Mrs McNab: The beautiful children, the supportive and friendly staff, the lovely community feel and the bush setting.

Ruby: Have you taught at many other schools?
Mrs McNab: Yes, Gordon West PS and SCEGGS Redlands.

Wil: Mrs McNab, what are your hobbies or interests?
Mrs McNab: As well as being with my little family, I love being outdoors, and having FUN!

Lauren: What is your role at EHPS?
Mrs McNab: I currently teach a Year 4 class.
2014 Band Program
Late last week we sent email 2 of 3 to all Year 2 and 3 parents who provided details, and parents from other years who provided their details, to introduce the 2014 Band program. The third email is due out this week.

A few things:

- We are only communicating detailed information to parents by email
- No printed notes will be sent home
- If you are interested in the Band program and did not receive an email, please email me at tim.cowdery@gmail.com with your name, your child’s name, class number and year and we will add you to our current blitzkrieg
- Depending on the program, students currently in Years K to 5 and next year’s Year K, qualify for Band entry.

World Premiere
The Junior Band is on schedule to perform publicly for the first time at the K-2 Assembly on Monday, 25 November.

Please ensure your child is practicing the School Song (Beethoven’s Ninth with Bars 21, 22, 23 and 24 blocked out; these bars are drum solo, would love to see the K-2s sing along to that!), Power Rock and The Spook. This will be a big day in their short musical lives and stepping stone to bigger and better things. Parents are most welcome to attend the performance.

Guitars
Jose asks that all guitar students practice with a little more commitment. He is of the opinion that the group is not progressing as it should due to lack of practice.

The competency and progress of all musicians in the Band program will be on display at Gala Night and the Christmas Music Festival. We would like every student to be at their best.

Jose recommends sitting in with your strummer and picker, preferably with a glass of your favourite beverage, and enjoy the experience.

Important Dates
Band Gala Night commences at 7pm on Thursday, 12 December in the Hall. All musicians in all band activities will perform. This is a night of musical magnificence and cannot be missed. It even has free entry, how good is that! All parents and school students are welcome to attend and it is great night for next year’s band students to see what they will achieve in a year or two.

The night formerly known as Carols Night is still on, wait for it, Friday, 13 December, worryingly freaky. This event is planned to be even huger than last year (impossible is still the rallying call), but it’s true. So true in fact, and huge (massive), it’s been renamed the Christmas Music Festival. All the Bands will play, not just carols but some of their scorching red hot numbers too, the strings and guitars will serenade, the school choirs will mesmerise with their polished and dulcet tones and, as a special treat, we will hear some of our amazingly talented tutors play some exceptional music. All this on the village green that is the middle oval.
PSSA Training

Please be advised that all children should be collected by parents when they are dismissed from training (within the school grounds) and NOT wait for collection at the top of the track where there is no supervision.
