Dear Principals,

The Northern Beaches Local Area Command has received a number of reports recently regarding alleged suspicious behaviour by persons driving vans in the area. It has come to the attention of police that newsletters, emails and other social media sites are posting and sending information regarding suspicious white vans driving around targeting children.

Of the incidents that have been reported to police, NONE of these incidents have involved any inappropriate conversations or any suggestion of touching or coercing the children in any way. There have been a number of differing descriptions of vehicles given to police and NONE of these vehicles have been linked to any offences.

Northern Beaches Police have received a number of phone calls from parents and members of the community concerned about these reports and the information that is being posted on social media sites. Of the incidents reported to police, there have been NO incidents indicating that any offences have occurred.

We ask that any information sent out to school networks or via social media be confirmed with police prior to sending out. We encourage schools and parents to educate children on stranger danger and safety issues and be vigilant at all times. Do not hesitate to report any suspicious behaviour to police.

If you have any further concerns please contact Northern Beaches Police on 9971 3399.

Thanking you,

Rochelle Bird
Senior Constable
Crime Prevention Officer
Northern Beaches Local Area Command

Change to staffing
It is always sad news when we announce the retirement of a valued and hardworking member of the Elanora Heights PS staff. Mrs Janine Daniels will be taking long service at the end of this term and retiring at the end of the year. I’m sure that everyone would like to join me in wishing Mrs Daniels all the best for a long and happy retirement.

Cyberbullying – what the experts say
While research into cyberbullying is still in its infancy, the one thing we do know is the online environment is really just a new setting for age-old issues. Cyberbullying is an extension of face-to-face bullying. It’s all about relationships.

Do you have a child who wishes to enrol at Elanora Heights PS in 2014
Do you know of someone who has a child wishing to begin Kindergarten in 2014 and hasn’t completed and enrolment form? Spaces are filling fast; we have over 60 enrolments already. If you need an enrolment package please speak to Mrs Shea in the front Office.

Making music together
Music education produces many benefits, including strengthening children’s’ abilities in reading, maths, and verbal intelligence. New research suggests it may also teach something less tangible, but arguably just as important - the ability to empathise. Helping your child with homework
In this video teachers talk about how parents can help their children take responsibility for their homework and avoid Thursday night meltdowns. Find out more at http://www.schoolatoz.nsw.edu.au/homework-and-study/homework-tips/helping-your-primary-school-child-with-homework

P&C meeting
The next P&C meeting is Tuesday, 11 June, at 7pm in the staffroom. I look forward to seeing you there.

Until next time,
Bill Gillespie,
Principal

Well-prepared for many Multicultural Perspectives

Last week our Stage 2 (Years 3 and 4) and Stage 3 (Years 5 and 6) finalists competed in our Multicultural Perspectives Public Speaking competition. The essence of the competition is to address the multicultural nature of Australia and the ways we can show our respect to such diversity.

The prepared speeches were of outstanding quality. The skills and strategies students were using to engage and persuade the audience were varied and entertaining. It is wonderful to see such complex and relevant issues being addressed so thoughtfully, and at such a young age!

In the Stage 2 final we heard stirring speeches about the Australian Flag, the role of sport in breaking down barriers, that every family has a story, and how kids can make a difference. Stage 3 finalists addressed topics that questioned when a migrant became Australia, and told us why racist jokes aren’t funny. Many speeches explored the interesting idea of being the same, but different.

Competition adjudicator, James Smith, said the prepared speeches were so good he had to give each of the Stages difficult impromptu speeches. These were ‘The Green Light’ and ‘Putting on the Brakes’.
He encouraged our students to think laterally rather than literally. Having only 5 minutes to prepare before they delivered their speech, there were some nerves but also laughter and rousing rallying to a cause. James complimented the students on their bravery – he said there were not too many adults that could present to their peers in such a way!

Our overall winners on the day were Jessie C and Sam K (Stage 2), Lexi M and Wil Mc (Stage 3). These students will represent Elanora on Tuesday June 25 at Collaroy Plateau PS. Good luck team!

Deputy Principal

Make My Own Healthy Lunch…

It’s Make My Own Lunch week! On Wednesday and Thursday students in Years 4, 5 and 6 will all participate in a nutrition lesson with Di Reeks. Then those who have chosen to participate will try foods from the taste table before making their own lunch using a range of healthy ingredients organised by our wonderful parent helpers.

The next stage is the follow-up challenge – to make their own school morning teas and lunches as often as possible in the next fortnight from Tuesday 11th June.

DO YOU WANT YOUR CHILD TO PARTICIPATE IN MAKE MY OWN HEALTHY LUNCH CHALLENGE?

All students who have paid to make their own lunch will automatically receive the inviting Make My Own Healthy Lunch card, designed by Anna Buono, to record their efforts.

If you have not returned the note for your child to make their own lunch at school, I hope you will still encourage them to participate in the follow-up challenge. Cards will be given to any child who wishes to participate. PLEASE TALK TO YOUR CHILD ABOUT THIS OPPORTUNITY.

There will be mini-merits and a healthy treat for those who complete lunch cards. Of course, the real rewards are in developing daily habits taking responsibility for our own health. Please discuss what your child might like to do for this challenge. Morning lunchboxes could be one task lifted from your load!
By good luck rather than good management, we’re right on target with our timing …

Think: Eat: Save - the theme for this year’s World Environment Day this Wednesday, 5th June. Coastal Environment Centre: Wednesday 5th June 6:30 pm - 8:30 pm.

An evening looking at how we can reduce the environmental impact of the food we buy, cook, eat and throw away every day – our “food footprint”. Ph 1300 000 232 for bookings and information.

Think, eat, save,

Dear Parents,

Life Education NSW is a not for profit community-based organisation that relies heavily on the raising of funds within the community to assist in meeting the shortfall left after receiving minimal assistance from Government funding.

The sale of Harold merchandise to the children whilst the program is visiting each school supports the fundraising activities of local committees and all proceeds support Life Education within each local area. These products help to remind children about the messages delivered to them during their Life Education session and have either a picture of Harold or the Life Education logo on them.

Please send in your order form on the day of your child’s visit. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child’s name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit.

BAND BUGLE

Band Appointment
The scrutineers were out in force after the tightest of elections for Band Captains and Vice-Captains and we are delighted to announce that Max S (6R) is elected as a Vice-Captain of the Band.
Congratulations Max, we all look forward to your contribution to the music program.

Upcoming Events
The Senior Band has one more public performance this Term on Sunday, June 23 at Pittwater High School. The Stage Band may also perform if a timeslot is available. The time will be confirmed as soon as we are advised by the organisers.
Please make a note in your diaries, calendars or whatever for these very important dates in Term 3:

- The NSW Band Festival. There are two performances slated for **Sunday, 25 August**, one by the Senior Band and one by the Stage Band. This is the first time we have entered a Stage Band in this festival. Performance times will be advised as they come to hand. The Festival is once again at the University of NSW Kensington Campus.
- NSSWE Spring Music Festival. Once again the Band is honoured to be accepted to play at the Chatswood Concourse. This performance will be on **Sunday, 8 September**. Times are still to be decided and updates will be provided when details are known.

**Strings**
The Strings group is gathering pace with 8 members, six on violin and two on cello. All the students are making excellent progress and we look forward to your mini-concert at the end of term.

**Changes to Morning Rehearsal Times**
Intermediate and Senior Band members were emailed details of rehearsal changes last week. Most students remain in their regular morning rehearsal and some have changed. The email details whether you change or remain in your existing group. If you did not receive or understand the email contact me urgently at: tim.cowdery@gmail.com

Many thanks to Rebecca Tyson and Sharri Boucher for their generous offer to open the demountable on Tuesdays and to Ariane Crebert who is on Wednesday duties.

**Northern Beaches Expo**
The Intermediate and Senior Bands combined to put on their first major “away from school” performance for 2013. This year EHPS was the only school to play at the Expo, a real feather in the collective hat. The Band delighted an audience that just grew and grew as their playing progressed. Apologies to the stall holders; trust you enjoyed some quiet time. The Concert Band played new pieces first rehearsed at Band Camp, now finely polished with a dazzling shine. The Stage Band has just grown in stature over the last few weeks, playing tightly and addressing their pieces with authority and flair. Many thanks to the Shapcott, Kosack and Cowdery families for the logistics of getting drums, keyboard, speakers and percussion from and back to school and all the students who assisted with stands.

Once again, Frances lifted all the bands over the last few weeks to public performance standard and the fruits of hard work were there to be enjoyed. A wonderful performance by all.

Tim Cowdery  
Band President
Below is the roster for the next 3 weeks. There are a few days we are still in need of helpers. If you are able to help, please drop by the canteen or call me on the number below. Your help is very much appreciated as we cannot run our canteen without our wonderful volunteers.

Thanks……………
