Principal's Message

Open Day
I would like to thank everyone who turned up today to help us celebrate Education Week. It was great to see so many parents in our classrooms and enjoying the wonderful concert. What a talented bunch of children we have at Elanora Heights PS! Thank you for spending time with us today, your time was very much appreciated by the staff and students. Look out for our full report, with photos, next week.

School attendance
In previous newsletters I have mentioned the Education Act 1990 which came into effect in 2010 which means that compulsory school-age children must attend school. In New South Wales, ‘compulsory school-age’ means that all children from six years of age are legally required to be enrolled at and attending school, or to be registered for home schooling.

Principals have to keep accurate records of student attendance and the reasons for any absences. Principals are responsible for accepting or not accepting a parent’s explanation for their child’s absences. Principals may request further information from parents for long or frequent absences, even where they are explained by parents as being due to illness.

When absences are unexplained by parents, or the explanations are not accepted by the principal, the school will work with parents to help address the issue. The main aim is to sort out what is preventing the child from getting to school and putting strategies in place to help.

Recently the Home School Liaison Officer (HSLO) noted that a number of students were continually late to school. The HSLO is monitoring the situation and will be following up if the pattern continues.

Medical forms
Today we sent out Year 1 medical forms. These forms need to be returned by Friday, even if your child doesn’t have an allergy or medical condition. We are still awaiting a LARGE number of Kindergarten forms to be returned. Please return the Kinder forms ASAP.

Student achievement
On June 5, Alisha D (4MP) competed in the Royal Academy of Dance’s Grade 3 Ballet exam (European Qualifications Framework Level 2). Alisha achieved a Gold Distinction, the highest award achievable!! Congratulations Alisha!

Over the first week of the school holidays Jaime M (4W) competed in the Regional Skiing Competition held in Perisher Valley. Jaime made it through to the NSW State Championships in all 3 events. She came 3rd in the Moguls, 6th in the Giant Slalom and went straight through to state in the Ski Cross as this event was cancelled due to bad weather. The NSW State Championships will be held in Perisher from the 20th of August to 25th. Congratulations Jaime!!

Congratulations to Jade T (6R) who was selected in the Northshore District Softball U13 Rep team. They played their first tournament in Richmond over the weekend and were undefeated going into the grand final against Hornsby which they won 13 – 1.

Bella Grainger (5P) competed in the NSW State titles for surfing on Saturday, July 27, at Maroubra beach. She competed in the U12s girls’ semi-final. She came 3rd and was narrowly beaten by less than 0.04 of a point, stopping her from proceeding through to the finals, making her 5th in the state. Great effort Bella!

Support our students
As part of Education Week Warriewood Centro Shopping is having a display of school art work. Parents can assist our students by voting with a gold coin for their “favourite” piece of artwork. All gold coin donations will go to charity.

Ten tips for tweens who find maths hard
Children who find maths easy in the early years of school can be turned off quickly if they get confused and can’t work it out. Here are 10 ways to get your tween through the more challenging times – http://www.schoolatoz.nsw.edu.au/homework-and-study/mathematics/mathematics-tips/tips-for-tweens-who-find-maths-hard
Changes to child protection
In June 2013 the Department of Education and Communities made changes to procedures for volunteers working in our schools. The Department now requires each volunteer to fill in a more comprehensive form and to also provide 100 points of identification. This can include but not exclusively:
Birth Certificate
Or Australian Passport
Or Australian Citizenship Certificate
(Category 1 - 70 points)
Plus
Current Licence or Permit
Or Working with Children/Teachers Registration Card
Or Centrelink Pensioner Concession Card or Health Care Card
Or Current Tertiary Education Institution Photo ID
(Category 2 – 40 points)
If you have already completed a declaration this year there is no need to complete the new form, however, as a form must be completed each year you will use the new form in 2014. All new volunteers must use the new form. Please telephone the school office if you are unsure of the procedure 9913 7283.

I have fun with faces
Try the Department’s fun, free app that helps pre-schoolers develop their reading and numeracy skills. Find out more: http://www.schoolatoz.nsw.edu.au/homework-and-study/educational-games/i-have-fun-with-faces

P&C meeting
Just a quick reminder that the next P&C meeting is on Tuesday, 30 July, at 7pm in the staffroom. Don’t forget to purchase you tickets for the P&C Trivia Night which is on Saturday, 10 August. I look forward to seeing everyone at both events.

Until next time,
Bill Gillespie

Life Saving Surgery Needed for an Elanora Mum

One of our Elanora Mums is suffering from a rare abdominal cancer that requires life-saving surgery (Peritonectomy Surgery) that is performed by Prof. Morris at St George Hospital.

Nikki Perko has three children (aged 10, 9 and 1) and another two teenage step children. Two of her children attend school here at Elanora Heights Public School.

Nikki has been waiting longer than the recommended three month wait time for this type of surgery. Extensive wait times can be fatal for sufferers of these types of cancer. Wait times are being blamed on budget cuts from the state government and other red tape issues.

You can help Nikki, and others like her, by going to www.livesatrisk.com.au and printing, signing, sharing and posting the petition to help put public pressure on the state government to enable more of these surgeries to take place, and therefore help save more lives.

Thank you for your support of this cause and for supporting Nikki.
(Further information see Manly Daily Tuesday 23rd July 2013 "Waiting Game")

Mrs Rebecca New
Meet Our Staff

Mrs Chapman – Admin Officer

An interview by our school captains Lauren, Ruby and Wil

Wil – Mrs Chapman, how long have you been at EHPS?
Mrs Chapman – Two wonderful years (and 10 days)!!!

Ruby – What do you like best about EHPS?
Mrs Chapman – The beautiful children, the wonderful parents and the amazing staff. I also love the incredible surroundings I get to work in every day.

Wil – Have you worked at many other schools?
Mrs Yardley – Yes, many schools on the Northern Beaches including Harbord, Cromer, Balgowlah Boys High Campus, Neutral Bay and Beauty Point.

Lauren – Mrs Chapman, what are your hobbies or interests?
Mrs Chapman – I love being with my family and friends, attending my son’s gigs (a musician) entertaining and jewellery making.

Lauren – What is your role at EHPS?
Mrs Chapman – I am a school admin officer with responsibility for students’ attendance, the newsletter and all the functions of a busy school office. I am also here to assist the students, teachers and the school community.

Premier's Reading Challenge

Dear Parents/Caregivers,

This is just a reminder that The Premier's Reading Challenge for 2013 will officially end on Sunday, 1st September but in order for us to collate all information, the last day for parents to help their children submit the books they have read on-line is Friday, 23rd August.

Many of our students have been reading books from the PRC book lists as part of their nightly homework so they are achieving both homework expectations and the PRC at the same time. Well done!

The following information should assist you in entering the books your child has read for the Premier’s Reading Challenge 2013.

How to Enter Your Child’s Premier's Reading Challenge Books
1. Log on to the site www.schools.nsw.edu.au/premiersreadingchallenge/
2. On left hand side click Logon
3. Enter your child’s username
4. Enter your child’s password
5. Click on Student Reading Records (on the left hand side of the page)
6. Enter the books your child has read

Happy reading!
School Food and Drink?  KEEP IT SIMPLE!

Teachers are finding that many children come to them to open food and drink at recess and lunch. This is not really the teacher’s job and makes it difficult to properly supervise over 100 children, watching behaviour and ensuring playground cleanliness. It is also awkward for the child who has to wait for the teacher’s assistance. While this is most common in K-2, it does occur even with older children.

We need your help! Please trial any packaged items at home and watch to see if your child can easily open them on their own. Also check items ordered from canteen. If is not quick and easy, precious playground time is likely to be taken up by spills and delays. Common problem items include twist tops, peel-back tops, foil and plastic packets, pull-top drinks, cheese sticks.

Please also consider the disposal of the packaging. Discuss with your child which bin each piece of packaging would go in – compost (food and paper), recycling or the green bin for rubbish that goes to the tip. A popper creates several pieces of rubbish – the box which goes to recycling and the plastic straw and its plastic covering (sometimes broken into two) which go to the green rubbish bin. Items such as foil and plastic packets where you tear off a corner result in small bits of litter which often don’t make it to the bin at all! If not picked up, our litter easily enters the drains flowing to the lagoon.

And of course, look at the nutritional value and amounts of salt, sugar and fat to ensure the best choice for your child’s long-term health.

Simple and fresh is best!

Let the Music Play

Once again the demountable reverberated to the beat of a band in full swing. It was rather like a favourite and recently rediscovered item of fine machinery. For sure, a few stutters, splutters and, on occasion, an outright refusal to perform as remembered. But, despite a short time in limbo, a squirt of oil here and a dab of grease there, the various cogs of the music machine eased their way into a familiar rhythm and the world made sense again.

Nic Campbell and our Band will do well together. Our Band’s culture is to live, dare I say it, dangerously. It’s about exploring possibilities rather than probabilities, and never let it be said, predictabilities. Boring is never a word associated with our band; stretch, fearlessness and boldness are key components of an invigorating band program with engaged and motivated members. This is the code of the Band’s DNA and the mutations over this term are most likely favourable. In what is perhaps the one moment of serendipity in these unplanned events, Nic has been able to pick up the pieces with only minor changes to our program, but more importantly, keep the ethos alive. We welcome Nic to our Band.

Strings

At the end of last term the strings group gave a small concert to a discerning and knowledgeable audience and show their blossoming talents. Their pitch and tone was near perfect as they played variations on a scale with a piano accompaniment.

Carla has instilled some very impressive musical values and this pioneering group will go from strength to strength.

Stage Band

The Stage Band is still a relatively new group and only 3 terms old. They are gearing up for their first ever Band Championship performance. The showmanship (hopefully not showpersonship) is gearing up with trumpets performing in the vertical position. Whilst small in number their sound and musicianship is of uniformly high standard and we look forward to your debut performance later this month. We have also just been advised that the Stage Band is invited to play on the forecourt of the Chatswood Concourse after the Senior Band concert hall performance. This performance is part of the NSSWE Spring Music Festival in September. Details will be passed on as they become available.
I am in regular contact with Frances and she is in fine form, so much so, I enquired as to whether anything had actually happened at all.....
There are still some rivers to cross but if early signs are portent of what is to come then we can expect Frances back better than ever.

A message from the P&C ...

Clearing of the art & craft room

There are a few things in the art and craft room that belong to the P&C. If possible, over the next week/ by the end of next week, could someone please identify what belongs to the P&C & move it to one area so it's all together. Looking ahead, the P&C won’t be able to store things in this room, but will be able to use the room off the back of Mr O'Reilly's storeroom. Richard Hazard will be making a proper doorway to this back room.

Also, Mrs Johnson will be looking through the room to work out what needs to be kept. There will be a LOT of stuff that can get thrown out and a skip will be hired for this. It would be great if we can have some parents volunteer an hour or two of their time, during school time, so that we can crack on and shift the rubbish – Mr Gillespie would like it emptied by the end of term 3.

Both Tara & I have volunteered to be part of the committee for this project. However, I’m away from 9th August for 4 weeks and Tara is away from 20th August for 3 weeks. The other P&C members are Julie Maslen & Lesley Moore.

Could we please have some volunteers who could spare an hour or so during the term? We’ll identify a week during which we’ll do the clear out and seek volunteers for a couple of days that week.

Many thanks
Angie Kemp
