Chicken Pox
I would like to inform the community that we have children in Year 1 and Year 3 who have been diagnosed with chicken pox. Please take the necessary precaution for your child if they haven’t been immunised.

Flying high
I would like to congratulate our AFL teams who competed at the recent Paul Kelly Cup Gala Day under the capable leadership of Mrs New with the assistance of Mrs Zaratsian. Our children were exemplary, despite the hot weather, and performed above expectations. Well done to the junior girls’ team who are moving on to the next stage of the competition.

School and P&C fees
The family Statement of Account should have arrived in your letterbox. I would like to thank everyone who has paid their fees. Our preferred method of payment is directly into the school bank account, details of which are at the bottom of your account. Please remember to use your child’s name as the reference. The schedule of fees is also available on the school website under the “Notes” tab for those who might have misplaced their original Statement of Account.

We would appreciate the early settlement of family accounts. For families who may be experiencing difficulty meeting these costs please feel free to call me to discuss payment options or assistance.

The P&C are hoping to raise $10 000 this year from their fees. Currently they have received a little over $6,000 which is less than last year. Your help is greatly appreciated!

Parent interviews
Today parents will receive information about the parent-teacher interviews that will take place in Week 9 (24-28 March). Please log on to the school interviews website and use the code provided later on in the newsletter to book a time that is most suitable for you to meet with your child’s teacher. Please note 2C parent/teacher interviews will take place on Wednesday, 7 May (Term 2 Week 2)

Harmony day
We are celebrating Harmony Day on Friday, 28 March. The theme of Harmony Day is “Everyone Belongs”. Students are asked to wear orange on the day; however, students must wear sensible shoes (no thongs) and tops with sleeves.

Kindergarten, Year 1, Year 3 and Year 5 working bee
This Sunday, 23 March we are holding our first working bee for the year. Please come along and join in the fun and meet other parents and community members. The working bee runs from 10am-2pm and will conclude with a BBQ for workers. I look forward to seeing you there.

Maths Working Bee Postponed
Many thanks to the parents who have signed up for the Maths Working Bee this Friday but due to the PSSA Gala Day we will postpone it until Monday of Week 9. Mrs Lomas will be in contact with everyone who signs up before then to let them know where and when she will meet you.

Science assignment starters
Not sure where to go to help your child find out about electricity, natural disasters, the solar system or other science projects? Have a look at the Department’s project starters at http://www.schoolatoz.nsw.edu.au/homework-and-study/other-subjects-and-projects/science/science-project-starters

Until next time,

Drink Water Only Day - Wednesday 19 March  |  JENNY CULLEN

On Wednesday, 19th March we are encouraging all students K-6 to drink only water at school to highlight the importance of water as our main drink. Most Elanora students already bring their own water bottle – it would be great to see every child with their own water bottle on the Wednesday and we are suggesting that they drink only water or milk for this day.

Some of our Year 3 & 5 students will be visiting classes to give prepared persuasive talks on why water is the best drink.

When it comes to thirst, drink water first!

What’s the best drink to quench a thirst? Water!

Advice from the health department is found at http://www.healthykids.nsw.gov.au/kids-teens/choose-water-as-a-drink.aspx

Tap water makes the best drink!

Here’s what water has to offer:

- it costs very, very little to fill a water bottle at home, and nothing to refill it at school
- it is readily available
- it doesn’t contain any kilojoules or sugar
- it is not acidic like fruit juices and fizzy drinks
- it encourages optimal function of the body
- the fluoride in tap water helps develop strong teeth and bones
- it requires no wasteful packaging and creates no litter
- it develops good habits for life.

What about fruit juices and flavoured mineral waters?

Fruit juice, which contains Vitamin C, is often seen as a healthy choice of drink. However, fruit juice is high in sugar and kilojoules, just like fruit drinks, flavoured mineral water, energy drinks and soft drinks. For example, a 250ml cup of apple juice or cola contains up to six teaspoons of sugar.

Add it up: just one can of soft drink or juice per day means you’re adding 18 kilos of sugar to your diet each year! There is none of the fibre of a whole fruit, which slows down metabolising the sugar. All forms of sugar give the body a sudden surge in blood glucose which can affect mood and concentration, and a high intake of sugar has serious long-term effects, increasing the risk of various diseases such as Type 2 Diabetes. The high sugar content can also blunt the child’s appetite for the food they need to eat.

Australian researchers found that children aged between 4 and 12 years who drank 500ml or more of fruit juice or cordial per day were twice as likely to be overweight or obese as children who consumed none.

Fruit drinks, fruit juices, soft drinks, sports drinks and flavoured mineral waters all have sugar and are also acidic. Acid and sugar both cause tooth decay, so together they form a double whammy leading to increased decay.

Health professionals recommend that children can have these drinks occasionally, but they are not a necessary part of a healthy diet and daily consumption is not recommended.

Please support Drink Water Only Day on Wednesday 19th by sending your child with only a water bottle.

HARMONY DAY 2014 | FRIDAY 28TH MARCH | CYNTHIA PITT

“Everyone Belongs”

We are celebrating Harmony Day this year on Friday 28th March and we are asking students to wear something orange on the day. No singlets and closed shoes are compulsory. Students will be learning about diversity in Australia and why it is important that we all get along. We will be making woven ropes to symbolise us coming together and becoming stronger and living in Harmony.
AFL GALA DAY REPORT | REBECCA NEW - AFL SCHOOL AMBASSADOR AND COACH

On Thursday, March 13th one girls and two boys teams travelled to Manly to compete in the Manly Region Paul Kelly Cup (AFL Gala Day). The students participated in a round robin style competition throughout the day with all three of our teams making it through to the finals series. The Elanora Girls team made it to the grand final after winning all their games, except one, which they drew! The girls played strongly in the Grand Final and came out victors for the day for the Girls competition! They will now travel to Centennial Park next term to represent the Manly region in the Sydney Girls Finals, where they will compete against the top two teams from each region. Well done girls! You were amazing!

Our two boys teams also competed really well finishing in third and fifth place overall. Elanora boys 1 won their way through to a semi-final to battle for a spot in the Grand Final, but sadly missed out by only a few points. The boys were disappointed but went on to play brilliantly to secure third place.

Elanora boys 2 came back in the day after a slower start and went on to secure fifth place overall with very strong teamwork and defensive play. Well done both boy teams, you showed great skill and determination!

I was very proud of all the students on the day for their behaviour and their attitude as well as their commitment to the game. Thank you to the parents who came along to support us and to Ms Zaratsian for being my assistant on the day (I think she really enjoyed herself!)

See you at training for the next level, Girls!

SCHOOL BANKING | CAROLYN CHESSELL

Great news with School Banking, we have only been back for 2 weeks and each week we are adding new students to our Banking Program. That's Fantastic keep banking kids. This year we have a new rewards system, that means new prizes. All students K-2 will have by now received an information pack on school banking. Inside this pack is the new reward information. Next week the 3-6 classes will receive this information. Some spares will be available at the office if you need more. The reward items for Term 1 are a Bouncy Ball and Scented Pencils. Each Term additional reward items become available.

Children who have the old style bank book covers will gradually be given the new covers which have 2 x sides of Velcro and is safer for money and tokens to be kept in.

Could I ask that all parents double check your child’s bank book. This week we had a lot of discrepancies with the banking. We had bank books with no money, money but deposit slip not filled in, and also incorrect amounts of money vs what was written on the deposit slip. It is great to encourage the children to fill in the deposit slip, but we ask parents to please check this information.

If you have opened an account online, you can start banking before your bank book arrives as I do have a stock of wallets and bank deposit books. You will need to send in a zip lock bag or sealed envelope with your child’s full name and full account number, and we can add this into the database plus send home the bank book and you can start immediately.

This year we have 2 new banking parents, please be patient with them if a mistake is made as it is not intentional and it will be corrected.

At the K-6 assembly today the Commonwealth Bank will be talking to the students about the School Banking Program and will stay behind afterwards to open accounts for any parents who are interested. You just need to bring identification to open an account (please see Comm Bank website for what ID is needed).

Thanks again parents and children for your support. The money raised last year was quite reasonable and went straight to the P&C to support our children’s education. It is an easy way to fundraise. Please continue to support this really worthwhile program.
PUBLIC SPEAKING COMPETITION | CYNTHIA PITT
3 - 6 Multicultural Perspectives Public Speaking Competition 2014
As part of developing public speaking skills, our school participates in the annual Multicultural Perspectives Public Speaking Competition which is conducted in government schools throughout the state. The competition requires two speeches: a prepared speech from the list of topics given below, and an impromptu speech with only five minutes preparation time. Each class teacher will select the two strongest speakers from his/her class based on both their multicultural topic speeches and their impromptu speeches. Each school sends two representatives from Years 3 and 4 and also from Years 5 and 6 to the Northern Beaches District finals.

Impromptu Speeches in Class - Week 8 Term 1 onwards
Each child will give an impromptu speech on a general topic given by the teacher e.g. Being a friend, Being different, A happy memory, An accident. Five minutes will be given to prepare for a one minute speech for Years 3 and 4, and a two minute speech for Years 5 and 6. The class teacher will consider the impromptu speech as well as the second prepared speech in choosing the two class finalists. You may like to practise some impromptu speeches at home as well.

Prepared Speech
By the end of Week 5 Term 2 all speeches must have been presented to their class.
All students must have planned and presented a prepared speech. Your teacher will advise the students when their speech is required to be presented. Please discuss the topics with your child and, if necessary, help them prepare.

Years 3 and 4 children should speak for 3 minutes, Years 5 and 6 should speak for 4 minutes.

Years 5 and 6 all must choose from the listed competitive topics.

Year 3 and 4 students may choose whether they wish to enter the Multicultural Competition or, instead, choose to give a persuasive speech on any topic of their choosing. Anyone who wishes to be considered for the competition must choose from the competition list.

Non-competitive speeches do not need to relate to multiculturalism. Please discuss possible topics with your child to find something they know and care about, so that they can think of ideas and present confidently. A few ideas for starters could be; food of the world, a kind friend is………..., everyone belongs; I am Australian, or perhaps a topic persuading parents or siblings to your point of view. Look at the Manly Daily for topical local issues; scan any media for an age-appropriate topic; what would you like to change about school, what people do … the world?

In non-competitive speeches only students may bring one or two props which help them and may base their speech just on their personal experience

Multicultural Competition
The Multicultural Perspectives Public Speaking Competition is open to all NSW government primary schools. The competition has two different age divisions – one for Years 3&4 students and one for Years 5&6 students. Schools can enter a maximum of 2 contestants in each of the 2 age divisions, totalling 4 contestants overall.

What are the speaking requirements?
At each stage of the competition contestants present both a prepared speech and an impromptu speech. For their prepared speech, contestants must choose a topic from the list of multicultural listed below. The prepared speech must have multicultural content. The impromptu speech is chosen by the adjudicator on the day, and will be on a general, non-multicultural theme. Contestants will have 5 minutes to write their impromptu speeches. The speaking times for each speech and division are outlined below. Note that speakers are expected to finish at or just beyond the official speaking time, and it will be considered poor timing to reach the continuous bell.

Continued on next page.................
What are the adjudicators looking for?
The adjudicators will make their decision based on the manner, matter and method the contestants employ in presenting their speeches. They will expect contestants to be confident and engaging speakers. The prepared speeches need to show an understanding of multiculturalism, and be well developed and interesting. Contestants are also expected to demonstrate a balance of personal opinion and information in their speeches, as well as a balance of humour and sincerity. Finally, adjudicators are required to give equal consideration to the prepared and impromptu speeches in making their decision. Detailed guidelines on how the competition is judged will be available on our website at www.artsunit.nsw.edu.au

What are the rules of the competition?
Other than the entry rules and speaking times detailed above, it should also be noted that contestants are not allowed to use any props or external aids such as Powerpoint presentations during their speeches. They are encouraged to speak from palm cards and present from a stage without the use of a lectern or microphone. Finally, the prepared speech must have multicultural content to be successful.

How does the competition run?
Schools may conduct their own internal competition to select 2 representatives for each division of the Multicultural Perspectives Public Speaking Competition. The State Coordinator will then advise all contestants of the date and venue of their local final which will be held in June. The winners of local finals will proceed to one of 8 regional finals which will be held in August. Regional winners will proceed to the state final.

Please see your class teacher if you need any further assistance.

**Band Camp**
Registration documents for Band Camp are expected to be emailed this coming week.

Band Camp is compulsory for Senior Band students and highly recommended for Intermediate Band (2 days) and Beginners (1 day only, day yet to be determined) students. Strings will have a one day Band Camp on Monday and Guitar students will have a 2 day camp.

Band Camp is on Monday, 7 and Tuesday, 8 April and counts for normal school attendance.

We seek the assistance of helpers on late Sunday afternoon 6 April to transport music stands and drum kits to Camp Kedron and after the concert on Tuesday afternoon to transport back to school. We would like to see some new faces and old hands will be there for guidance. Please email tim.cowdery@gmail.com if you can provide some much needed help.

**Band Fees**
Band fee invoices were sent last week. Due to the large size of the documents and a Gmail limit some people might not have received invoices. Don’t despair, we will send out follow-up emails in case you were unfortunate to miss out on the first round.

Guitar and Strings invoices will be sent this week.

**Music Programs on Offer**
We currently have vacancies for Strings and Brass in the Band program.

Please email tim.cowdery@gmail.com if your child wishes to participate.

**Instruments**
This advice covers all instruments and certainly covers hire instruments.

If something goes wrong with an instrument do not attempt to fix or repair it. Leave the pliers and the oxy-acetylene kit in the cupboard.

Bring the instrument to your next rehearsal and have it assessed. A fix on the spot, advice or repair will be organised at this point.

**Northern Sydney Symphonic Wind Ensemble (NSSWE)**
NSSWE currently has vacancies in their Primary bands for most instrument groups.

Go to: www.nsswe.org.au and register your interest. Generally require AMEB 2 or greater.

Rehearsals are on Tuesday afternoons at Forest High from 4.30 to 6.15

Re-Tuning of TVs 18 March 2014

The retune is a national program that moves free-to-air television channels to new frequencies. These moves, to be completed by the end of 2014, will free up space for new services such as mobile broadband. After channels have changed, viewers will need to retune their digital TV, set-top box or digital TV recorder to find the channels that have moved.

In the greater Sydney region and surrounds, some free-to-air digital TV channels will be changing frequency on 18 March.

Retuning is done using the remote. A video and 3-step guide to retuning is available on the website www.digitalready.gov.au/retune or for more information about the retune, or to sign up for an SMS or email reminder, visit the retune website, www.digitalready.gov.au/retune or call the Digital Ready Information Line on 1800 20 10 13, 8am to 10pm (AEDST) 7 days.

These baby rhinos have been decorated by children from various local schools and we are inviting all school children in our area to colour in their own rhino to be in the running to WIN one of eight family passes to Taronga Zoo. The family passes are for two adults and two children.

Entry forms were sent home today. There will be a barrel in-centre for kids to place their entries in and a winner will be chosen each week.
